January 2010

Dear Parent(s)/Guardian(s):

This mailing contains all relevant information for midterms for yearlong courses, final exams for semester courses and Regents exams. The complete exam schedule and bus schedules are included. Please read the exam schedule carefully. Some exams are scheduled for 2 hours while other exams are scheduled for 3 hours. If your child needs to take a State exam (RCT or a Regents exam) and misses it, the next opportunity to sit for State exams is in June.

Please be advised that there are no classes from Tuesday, January 26 through Friday, January 29, 2010. Classes will resume on Monday, February 1, 2010 with the start of the second semester. Students will be able to pick up a copy of their second semester schedule prior to starting classes on February 1st. Details will be given in daily announcements.

Examinations for courses not included on the exam schedule will be given during regular class time.

The cafeteria will be serving a limited menu on exam days to accommodate students who may need lunch between exams.

Students who have exam conflicts (i.e., must take exams that are scheduled at the same time) will take their exams in a separate room one after the other. Detailed exam schedules listing the room locations for all exams will be posted throughout the building prior to exam days.

Students who have questions about exams should check with their teachers and/or school counselor.

I wish all the best to all students during exam week!

Sincerely,

Cheryl Ann Edholm, Ed.D.
Principal
