## Message from the Principal, Mrs. Tarbet

As many of you know, I am retiring at the end of June. I've had twenty-six wonderful years in the East Hampton School System. I read somewhere “Retirement is when you stop living at work and begin working at living.” I intend to do my utmost to follow that rule. I know however, that regardless of how much I enjoy retirement, that I will miss everyone in the organization and the students.

It is hard to believe this day has finally come, but I am turning the building over in the capable hands of Mr. Chris Tracey, who I know you will love. Thank you to everyone who has supported me over the years. It has been an honor and a pleasure to teach your children. John M. Marshall is a wonderful place and I will leave with a smile on my face.

## REMINDER OF THE LUNCH MONEY BORROWED
